AVAILABLE

We are very excited to now offer several gluten free baked goods. We will specify on the menu which items are gluten free with a GF and if you have any questions please reach out to us. Please keep in mind that while the ingredients in the product are gluten free the baked goods are still prepared in the same facilities as products that do contain gluten and to consider them 99% gluten free.

Many of these products are also dairy free and vegan and we will indicate this on the menu as well with a DF or V.
